AND COUNTY FISCAL LETTERS (CFL) NO. 02/03-35 AND NO. 02/03-31

The purpose of this All County Letter is to confirm with the counties the new funding process for the CAPIT program. The goal for the change is to reduce the CAPIT administrative workload for both the counties and the California Department of Social Services (CDSS).

Historically, counties have entered into a grant with CDSS to receive CAPIT funds. Effective July 1, 2002, the existing CAPIT grant process has been eliminated and counties will not be required to enter into a grant with CDSS to receive CAPIT funds. A revised CAPIT funding process has been established under which the County Financial Analysis Bureau allocated the CAPIT funds via CFL No. 02/03-35. Counties were instructed how to claim CAPIT expenditures quarterly on the County Expense Claim in CFL No. 02/03-31.

Each of the 58 counties must have a three-year plan approved by the Children and Family Services Division in order to be eligible to claim these funds.

If you have any questions regarding this letter, please contact your Office of Child Abuse Prevention consultant. The county consultant's contact list is enclosed.

Sincerely,
